

Cost of Attendance – Resident

The cost of attendance is an estimate of the annual costs a WSU student will have. We based our figures off of an average of on-campus, off-campus and Greek life living situations.

Student Financial Services will provide funding options to cover the cost of attendance. This will be comprised of all or some of the following: federal/state/institutional grants, scholarships, student loans, work-study, and parent plus loans.

Total estimated cost of attendance for 2022-23: \$29,660

Direct Costs (annual amounts)	
Tuition	\$10,996
Mandatory Fees	\$1,420

Direct costs are those that are non-negotiable. All WSU students will have and pay these costs.

Indirect Costs (annual amounts)	
Books	\$960
Room and Board	\$12,598
Misc. Living Expenses	\$2,252
Transportation	\$1,434

Indirect costs are costs that are variable. The actual amounts of these costs will depend on your lifestyle, classes, etc.
